Dear **Kauser Ahmed Methel**,

Thank you for choosing Sphere Education Institute for your qualification. You have been assessed via Recognition of Prior Learning (RPL).

To assess your application, you were required to use the Sphere Education Institute RPL kit, which was used to gather evidence required for an RPL assessment. The RPL kit is given to those applicants who wish to be assessed competent based on RPL.

Recognition of Prior Learning (RPL) is a judgment by a qualified workplace assessor of a person's skills or knowledge gathered through experience as they relate to units of competency in training packages.

Prior to RPL, information is provided to the candidate about the assessment process. Specific advice is given to each applicant on how they can demonstrate their competence and what documentary evidence is required to gather the support for their application.

The candidate is required to submit adequate information prior to the assessment process. The assessor in this process, is aware of each applicant needs, and will help them identify the relevant workplace personnel who can confirm competency of the candidate.
